

# Food Chain

Plants are producers, they're sun users  
In the food chain, ch-chain chain  
They make food from the sun and the food chain has begun,  
The food chain, ch-chain chain

Chorus: Predators and Prey  
Producers and Decay  
Are in the food chain ch-chain chain

A rabbit comes along and eats the plants down  
In the food chain ch-chain chain  
But the plants have more the feed that herbivore  
In the food chain ch-chain chain

Chorus

Coyote likes to eat a little rabbit meat  
In the food chain ch-chain chain  
It makes her day to eat some rabbit prey  
In the food chain ch-chain chain

Chorus

Coyote lifts her tail and scats out on the trail  
In the food chain ch-chain chain  
For scat that's a meal cause scat is a gourmet meal

Chorus

You can see from this song how energy moves along  
In the food chain ch-chain chain  
Energy flows and flows, 'til off as heat it goes  
In the food chain ch-chain chain

Chorus
