

## Recycle Rap

Chorus:

Recycle, Recycle, Rip-Rip Recycle  
Recycle cans, Recycle glass  
Recycle at home, Recycle in class  
Reduce your garbage of every kind,  
Reuse everything, reuse your mind  
Recycle, Recycle, Rip-Rip Recycle

I was walking down the beach on top of the world  
When I met the eyes of a beautiful girl  
I walked up to her and asked her her name  
As I threw my soda in the garbage can  
She said, "Hey man, what'd you do that for?  
When you throw things away, we got to make more!  
Reduce, reuse, again and again  
That's the only way you gonna be my friend."

Well I felt a little pale and I felt a little thinner  
So I said, "Hey recycling girl, how 'bout some dinner?"  
She said, "I'm in a vegetarian mood, I fell like a little vegetarian fast food."  
I said, "I know the perfect place for you, they got veggie burgers with a slice of tofu."  
But when the man at the counter said, "plastic or paper?"  
Recycling girl said, "We don't want neither!"  
Reduce Duce Duce Duce Duce  
Reduce Duce Duce Duce Duce  
Then she pulled out her own plate and a mug  
Said to the the man, "Hey, fill this up-- I want a soy milk shake with a lot of banana."  
"And a napkin for me!" She said, "Use your bandana!!"

I said, "Hey recycling girl, let's talk about love."  
She said "First I think you better join my club  
There's a club for the dolphins, a club for the trees  
A club for the birds and a club for the bees  
If you wanna stick with me you gotta be a doer  
You can't drink the water when the river is a sewer  
You get nothin' done just sittin' in the bleachers  
You got to play hard to save the other creatures  
Because the earth is our home, the earth is our mother  
Yes I'm talkin' to you sisters and I'm talkin' to you brothers  
If you wanna healthy place to meet a boy or girl  
You gotta dance, recycle, work to save the world  
You gotta dance, recycle, work to save the world  
Recycle, Recycle, Rip-Rip Recycle!!
