

## PARENT SHADOW INFORMATION

A Parent Shadow or designee will allow some children to participate who otherwise could not participate in the learning experience at Foothill Horizons Outdoor School.

- **Accommodations on site for Parent Shadows are first come first served.**
- **6 weeks advance notice is required for all Parent Shadows.**

If the school provides support at school, **the school must provide the same support at Foothill Horizons Outdoor School**, for example, aides or a small classroom environment, assistance with toileting or eating.

### STEPS FOR A PARENT SHADOW

1. Parent and teacher discuss best support plan for the child at Foothill
2. Foothill Horizons Principal approves the need for a Parent Shadow 6 weeks prior to attending
3. School Principal approves the need for a Parent Shadow 6 weeks prior to attending.
4. School/District provides finger print screening and verification of volunteer status of the Parent Shadow
5. Parent completes the Parent Shadow Designee Agreement and Questionnaire (provided by Foothill Principal)
6. Parent calls 2 weeks in advance of attending to finalize details with Foothill Horizons Principal

### PRESERVING THE LEARNING EXPERIENCE

We will strive to establish an environment with the least parental involvement and the greatest independence for the student. The parent or designee may stay:

1. In the new sleeping quarters, the “Nest,” with the child.
2. In the Nest without the child. The child will stay in the dorms.
3. The parent may stay in the dorms with the child, if they qualify as a volunteer with your school.

Parents may be required to attend or be excluded from:
