

Themed Adventures & Activities 2007 Summer Sessions

HAUNTED MANSION:

The TWILIGHT ZONE

Haunted Mansion:

The Twilight Zone

Nothing can prepare you for this week. Leave your fears at home and come prepared for the unexpected.

Once Upon a Time

His excellency, the Prince, has invited all to attend a royal ball. Come in your finest **evening wear** or as your favorite **fairy tale character**.

Pirates

Are you brave enough to sail the seven seas? Bring your best **Pirate attire** but leave the stow-aways at home or its the plank for you!

Gold Coast Cruise

G'day mate, join us as we fire up the barbie for one of the biggest Aussie beach parties ever. Bring just the norm for this fun and relaxing week.

In order to enjoy each themed week to the fullest, each camper should come prepared for the themed activities & adventures that are unique to each session. It is not intended that your family spend a lot of money on these items; thrift stores and your creativity will provide the perfect (and inexpensive) touch.

Below is a list of items common to every session. (Be sure to consult the "Parents' Handbook" for a complete list of what to bring, and not bring, for the entire week.) Locate the icon for your individual session(s) on the sides for extra general items to bring and for the dress-up dinners. Feel free to add to these lists if you are motivated! If you have trouble getting these items, don't worry--you will still be able to enjoy all the activities for your session!
