

Staff Winter Update

Summer 2016 is just around the corner as the school year is already half way over! We hope you are excited for the themes we have chosen and are ready for some great adventures! To sign up for a session, register online at foothillhorizons.com. Below you will find an update from some of your favorite staff members, letting you know what they've been up to since summer ended.

Dylan has been studying agriculture at Cal Poly SLO and is developing a thesis into discovering how much juice is really in a particular species of grape. He knows it is so much, but at what volume? **Matt** is still searching L.A. looking for Walter Hobbs, and spreading Christmas cheer by singing loud for all to hear! **Abby** and **Hannah** used their Friday lunch dance moves to audition to be Taylor Swift's backup dancers. Catch them in a city near you! **Olivia** has been learning to cook after being banned from her dining hall for trying to throw pancakes to her classmates. So far she has only mastered the delicious blueberry loaf! **Kyle** has spent much of his time looking for his long lost brother 5, separated by faction long ago. He has spent the rest of his time training for the next Tri Wizard tournament in order to assure Hogwarts victory! **Maeve** has been ice climbing cliffs in Colorado now that she is able to use her new left robotic leg as an icepick. It is really handy when her hands need a break! **Liana** is getting ready for Christmas by singing her favorite 12 Dorms of Christmas carol to all of her neighbors in Berkeley. **John** has seen a major improvement in his acting career since moving to L.A. So much improvement he somehow managed to get a minor role in the new Star Wars movie! **Sarah** has successfully started her own talk show, "Ew!", be sure to tune in and not miss next season's episodes! There's going to be a special feature on the art of Simon Says! When he's not trying to write a movie, **Jackson** is hanging with his bud Toto and constantly going over results and statistics from last summer's FHWS. **Georgie** is spending her time dreaming of camp pizza and perfecting her dance moves. She is already counting the days til the first Friday Lunch of 2016! **Dave** and **Daniel** made sure to attend every corn maze in the Pacific Northwest this fall together. Why you ask? They were preparing themselves for Maze Runner, coming to Foothill Horizons next summer!

A Magical Summer Awaits You!

A summer full of adventure and imagination is ready to begin at Foothill Horizons Summer Camp. We are proud to announce seven themed sessions during which your child can meet new friends, acquire new skills, and enjoy him or herself in a caring, imaginative setting.

Campers

Children who are 8 to 12 years old are invited to sign up for one of our 7 adventures. During their stay, campers bunk with children their own age, but have chances to interact with other age groups through camp activities. We offer a 2-phase Counselor-in-Training and Junior Counselor program for children 13 to 17 years old. For more info about the program, call 209-532-6673.

Setting

Our facility is located near Sonora at the Foothill Horizons Education Center and boasts over 140 acres of forests, streams, and trails in the Sierra Nevada foothills. In addition, we maintain a pool, astronomy tower, modern dorms, a full size dining hall, and a health office.

The Staff

Our staff consists of highly enthusiastic counselors, camp instructors, and program coordinators. Our counselors are college-age adults who have completed our JC program. The entire staff works to ensure that every camper can explore their imagination and creativity in a safe and friendly environment.

Activities

Special camp activities vary according to the theme of the week. Campers also choose from other activities during the week, such as swimming, arts & crafts, creek explorations and other fun activities. Other special activities include campfires, staff hunt, sleepouts, and weekly trips to the mountains, and all-camp activities.
