

What's New for 2017. Read me first!

Hi Campers and Parents!

There's lots new information for Summer Camp 2017, so please take your time and review all the updates to ensure a smooth, hassle free registration process. **Registration is different, read this info!**

Some of the highlights are:

- **Registration is easier than ever! **One time, online registration** with no paper follow up copies of camper information! Make sure you answer all the required questions and agreements on the online registration and you are done! The only paper form required will be the **"Request for Administration of Medication"** signed by doctor and parent if your camper will bring meds to camp.
- **Payment in full, including transportation, is due at time of registration. Please see **"How to Choose Required Transportation"** on the website **Transportation tab**.
- **Please see the **"Registration Schedule"** below for your child's registration date. Staggering the registration dates should take a great deal of pressure out of the process and open up sessions more fairly to everyone who wants to come to camp. Please note the policy on "one session at a time". If you sign up for multiple sessions before it is allowed, we will use our discretion to cancel your extra sessions. You will have to re-register for them when the timing is appropriate.
- **The Bay Area bus is back at Acalanes! See the **Transportation** tab for time and details. Friday pick up times are back to: 2:00 on site, 3:30 Modesto, and 5:15 Acalanes.
You will now be **REQUIRED** to **choose BOTH Monday and Friday transportation** options to check out at registration (or round trip which covers both). Please see **"How to choose transportation"** and know what you want as you check out to avoid any delays in completing your process. Of course, we realize that sometimes things change as Summer Camp gets nearer and we will help you adjust your transportation needs in the future, if necessary.
- **Please **KNOW** what you want when you register to avoid any mistakes and the need to change sessions because of errors. Please see the following **Cancelation and Refund Policy**. There will be no exceptions to the policy, so accuracy is important.

See details below:
