

Dear Junior Counselor (JC) and Parents,

Hello all, we hope the school year is going well! Summer Camp is quickly approaching, and you will soon find yourself in a new position here at Foothill. As a JC I or JC II, you will be taking on some very exciting and rewarding new challenges, which will change your Foothill experience a great deal. While none of the differences are too taxing, we at Foothill want to get you as ready to meet those challenges as possible, which is why we're so pleased that you have signed up for the CIT/JC Leadership Weekend Workshop! To help ease the transition process, you are going to be busy learning the ropes of the JC Program. But not to worry--we'll also have a great time catching up with summer camp friends and staff. We miss everyone very much and look forward to spending a weekend with all of you!

In order to get you prepared for the CIT/JC Leadership Weekend Workshop, some very important information is provided below concerning transportation, packing lists, and tentative weekend activities. **Please read and comply with all instructions given.**

What to Bring

- Backpack/water bottle
- Sleeping bag/ pillow
- Long pants/sweatshirt/jacket for cold weather
- Shoes suitable for hiking
- Toiletries/washcloth/towel
- Wristwatch
- A change of clothing

Do Not Bring *inappropriate for camp:*

- Food, beverages, gum, or candy OF ANY KIND
- Electronic devices (e.g., **CELL PHONES**, iPods, music playing devices, portable games)
- Weapons or knives
- Money (invitation for theft)

**** Parents**, please be sure that your child does not bring the items that are specified above as "Inappropriate for camp". We have had difficulty enforcing this policy in the past because so many kids have disregarded our request. **These items may be confiscated for the weekend if we discover them being used.** As a summer camp staff, we depend on Junior Counselors to act as role models to younger campers. Good role models must follow the rules, as they will later be asked to help enforce them.

In all honesty, whether you are at Foothill for 2 days or 5 days, you will find that you will be a better JC without all the distractions from the items we asked you to leave behind. Thank you in advance for your cooperation.

Weekend Activities

Here's a look at some of the basic functions of the weekend:

- Plan Your Own Program station
 - Teambuilding Workshop
 - Adventure Hikes
 - Brainstorming themes for next year
 - Campfire/campfire skits
 - Great "games to play with kids"
 - Teaching Ideas Workshop (for CIT IIs)
 - Creative Crafts Workshop
- And much more!

Getting A Head Start

As you will soon discover, being a JC is all about honing the leadership skills you hopefully began to uncover through your time in the JC program. **You** can affect campers' weeks for the better, and we can help. Our staff is excited and fully prepared to assist you in any way possible. While you are focused on enriching the camper experience, we, in turn, are here to nurture your growth as a JC. That being said, we would like to introduce some of the staple skills the program is designed to teach. Come to the leadership weekend with these goals in mind and feel free to bring questions to **ask** about the program!

- Being a role model
- Initiative
- **Teamwork!** *This is key!*
- Independence
- Leadership
- Being yourself!!!!

You are a JC now, and everyone, including the CITs, will be looking up to you. We all appreciate the job that we know you are capable of doing; you may be apprehensive (as being a JC can sound slightly daunting!), but never fear, this weekend is a learning experience in the company of friends. We don't expect you to figure it all out now! It's a necessary precaution to make sure you don't come into the summer completely unaware of what is being asked of you.

Now that you know a little of what to expect, we hope you are looking forward to getting back to Summer Camp as much as we are. We know this is going to be a great summer for the JC Program, and we'll see you all at the JC Leadership Weekend Workshop!

Looking forward to seeing you SOON,
Foothill Horizons Summer Camp Staff
